Forward Looking Statements

Certain statements in this press release may be considered forward-looking statements, such as management's views with respect to future events and financial performance. Forward-looking statements identify prospective information. They are based on information available at the time and/or management's good faith belief with respect to future events, and they are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. These forward-looking statements are by nature subject to operational, financial and legal uncertainties and risks, including a number of factors that may cause actual results to differ materially from the expectations described. Such factors include, but are not limited to underlying and seasonal demand trends in key markets we serve, our exposure to cargo loss, accidents and other damage claims resulting from our operations, the costs and potential liabilities related to compliance with or violation of governmental laws and regulations, and challenges associated with our ability to consummate and integrate acquisitions. Additional information about the factors that may adversely affect forward-looking statements is contained in Universal's Form 10-K for the 2013 fiscal year and other reports and filings with the Securities and Exchange Commission. Universal assumes no obligation to update forward-looking statements to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information except to the extent required by applicable securities laws.
